

Sharp Direct Advantage®

# Added benefits

We believe San Diegans deserve more. That's why our Sharp Direct Advantage plans include these added member benefits.

## Vision care

Vision Service Plan (VSP) Choice is included in our plans. Benefits include annual routine eye exams and an allowance for glasses or contacts every 24 months. VSP has more than 400+ providers throughout San Diego County to ensure that you can find care close to home.

## Chiropractic and acupuncture coverage

Like all Medicare Advantage plans, Sharp Direct Advantage offers chiropractic benefits for spinal subluxation treatment. In addition, Sharp Direct Advantage offers a supplemental chiropractic and acupuncture benefit through American Specialty Health. This means you can self-refer to any specialist in the network for up to 30 visits per year with a \$10 copay.<sup>1</sup>
