

Behavioral health support

We believe your mental health is just as important as your physical health. That's why we make it easy for you to access behavioral health care, with a large network of behavioral health providers across the county, plus telehealth visits. You don't need a referral from your primary care physician for outpatient therapy with a provider in your network. However, only services offered through plan providers will be covered (unless approved by Sharp Health Plan).

Pharmacies

Sharp Health Plan members have access to Sharp Rees-Stealy Pharmacies, independently contracted neighborhood pharmacies and almost all major national pharmacies, including the locations below. Please visit sharpmedicareadvantage.com/findapharmacy to find a pharmacy near you.
