About Us

E&J Medical Services was established in 2004. Since its creation we have served hundreds of businesses and thousands of clients. We take great pride in our services that help those in our community take the necessary steps to gain and maintain employment, while also serving those who need court mandated and personal testing.

We currently have 2 locations in Orange County and 1 in San Diego to best serve our clients needs.

Staff

Our professional and friendly staff are certified and trained. They will welcome you to our facility and provide you with our first-class customer service.

E&J Medical Services, Inc. is an approved & preferred collection site for all of the following:

We accept electronic chain of custody forms (eCCFs)
