RE: **SCRIPPS BACK IN NETWORK - Scripps Health & Anthem Blue Cross Reach an Agreement**

Anthem and Scripps Health finally reached an agreement for Scripps Health and all of its affiliated entities to participate in the Anthem Blue Cross PPO Network. The agreement is retroactive to January 1, 2025. Any claims that went unpaid after January 1, 2025, will be submitted and processed by the Trust Office if they were not under the umbrella of "Continuing Care."

Participants may contact their Scripps providers to make future appointments. Should you have any questions, please contact your Claims Examiner at the Trust Office.

Thank you.
